

## List of selected abstracts

### ISRTPCON 2016

---

<b>Original Study</b>				
<b>Poster No</b>	<b>Registration No</b>	<b>Title</b>	<b>Presenting Author</b>	<b>Institution</b>
OS-1	ISRTPCON20160011	Histomorphological pattern of renal biopsy in Dhaka, a single center study	Dr. Jaynul Islam	Armed Forces Institute of Pathology
OS-2	ISRTPCON20160044	post transplant renal biopsies: not all are rejection	Dr. Ashok singh	AIIMS NEW DELHI
OS-3	ISRTPCON20160042	Clinicopathological correlation and C4d staining in Lupus nephritis – A tertiary centre experience from North India	Dr. Gnanapriya Vellaisamy	Department of Pathology, St.John's Medical College. Bangalore, Department of Pathology/Nephrology/Immunology, SGPGIMS. Lucknow
OS-4	ISRTPCON20160034	A comparative study of C4d deposits along the tubular basement membrane in BKV nephropathy and rejection associated tubulitis in allograft renal biopsies	Dr. Tripti Kaur	Department of Histopathology, Apollo Hospital, Jubilee Hills, Hyderabad
OS-5	ISRTPCON20160059	BK virus nephropathy in live renal allograft recipients: 5 cases from a large transplant centre in North India	Dr. Pallav Gupta	Sir Ganga Ram Hospital
OS-6	ISRTPCON20160063	Spectrum of Bladder Neoplasm and	Dr Mala Jain	GMC ,SURAT

		Histopathological Correlation Pathology department, Government Medical College, Surat ,Gujarat,India		
OS-7	ISRTPCON20160065	Utility of C4d in subtyping of Proliferative Glomerulonephritis	Dr. Aasma Nalwa,	AIIMS, New Delhi
OS-8	ISRTPCON20160056	Study of histology of non-neoplastic kidney diseases in nephrectomies and nephroureterectomies done for tumors	Dr. Noora Ahmed	Department of Histopathology, Apollo Hospitals, Jubilee Hills, Hyderabad
OS-9	ISRTPCON20160037	A novel glomerular C4d scoring system : A tool to prognosticate proliferative exudative pattern of glomerular injury	Shubhada Krishna Prasad	Department of Histopathology, Apollo Hospital, Jubilee Hills, Hyderabad.
OS-10	ISRTPCON20160093	The varying histological spectrum of <i>P.vivax</i> induced nephropathy- A tertiary referral centre experience	Latika Gupta,	GIPMER and Maulana Azad Medical College, New Delhi
OS-11	ISRTPCON20160014	Clinicopathologic profile of Retroviral positive patients undergoing renal biopsy – A Series of 38 cases.	Dr Vasavi B1	Dept of Nephropathology, Manipal Hospital, Bengaluru; Nephrologists from Institute of Nephro Urology (Bengaluru)2, Chirayu Hospital (Kalburgi)3, Yashoda Hospital (Vijayapura)4, Kasturba Medical College (Manipal)5, RTIICS (Kolkata)6, Manipal Institute of Nephrology & Urology (Bengaluru)7.
OS-12	ISRTPCON20160066	Determination Of Primary	Archana Gudipati	Nizams Institute of Medical Sciences

		Versus Secondary Membranous Glomerulopathy Utilizing Phospholipase A2 Receptor Staining In Renal Biopsies		
OS-13	ISRTPCON 20160053	Calcineurin inhibitor responsive versus Calcineurin inhibitor resistant FSGS: Any clues from electron microscopy?	Dr Parimal Agrawal	Departments of Histopathology <sup>1</sup> and Nephrology <sup>2</sup> , Postgraduate Institute of Medical Education and Research, Chandigarh.
OS-14	ISRTPCON20160058	Trend change of terminal infections in different immunosuppressive eras in Renal transplant patients: An autopsy study	Dr Gargi Kapatia	Post Graduate Institute Of Medical Education and Research, Chandigarh
OS-15	ISRTPCON20160051	Clinicopathologic Profile and Outcome of Crescentic IgA Nephropathy	Dr Meyyappa Devan R	JIPMER
OS-16	ISRTPCON20160048	Epithelial Mesenchymal Transition in bile cast nephropathy?-Forecast the future	Muralidaran C	1-Dept of Histopathology PGIMER, Chandigarh, 2- Dept of Nephrology PGIMER, Chandigarh, 3-Dept of Hepatology, PGIMER, Chandigarh
OS-17	ISRPTCON20160057	Non Neoplastic Parenchyma In Nephrectomies With Renal Tumor-Does It Matter	Dr Pankaj Kumar	*Dept of Histopathology, # Urology and ^Nephrology, PGIMER, Chandigarh
OS-18	ISRTPCON20160049	Complement Factor H Probably the Key Player in Post-Transplant C3 Glomerulopathy – An Experience at the Tertiary Care Center and Hospital in North India	Dr Ashwani Kumar	Departments of Histopathology <sup>1</sup> and Nephrology <sup>2</sup> and Advance Pediatric Center <sup>3</sup> , PGIMER, Chandigarh, India

OS-19	ISRTPCON20160073	Crescents in membranous nephropathy - is it amount or age of deposits what matters ?	Dr Geethanjali gude	PGIMER
OS-20	ISRTPCON20160067	Spectrum of monoclonal gammopathies encountered in renal biopsies – A tertiary care centre experience	Dr. Smitha N V	Amrita Institute of Medical Sciences,Kochi
OS-21	ISRTPCON20160075	Therapeutic relevance of renal biopsies in patients with Diabetes Mellitus	Dr. Ariba Zaidi	PGIMER CHANDIGARH
OS-22	ISRTPCON20160089	Epidemiology of Cytomegalovirus in post renal transplant patients in North Indian Population.	Dr Poonam Yadav	- Department of Microbiology, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow.
OS-23	ISRTPCON20160092	Lupus Nephritis in males: Case series from a tertiary referral centre	Sunayana Misra,	GIPMER and Maulana Azad Medical College, New Delhi,
OS-24	ISRTPCON20160094	Lupus nephritis in the paediatric population: Case series from a tertiary referral centre	Vineeta V. Batra	GIPMER and Maulana Azad Medical College, New Delhi
<b>Case Report</b>				
CR-1	ISRTPCON20160055	c3GN, an attempt to know thw etiology	Naga sarika Vennavalli	C-Path labs
CR-2	ISRTPCON20160054	BK virus associated nephropathy – An interesting case report	Dr.G.Barathi	Sri Ramachandra Medical College and Research Institute, Chennai
CR-3	ISRTPCON20160034	Recurrent primary membranous nephropathy	Tripti Kaur	Department of Histopathology, Apollo Hospital, Jubilee Hills, Hyderabad

		detected in an allograft biopsy, 8 days post transplant		
CR-4	ISRTPCON20160014	Crescentic transformation of dense deposit disease – A case report	Dr Vasavi B	1) Dept of Nephropathology, Manipal Hospital, Bengaluru; 2) Dept of Nephrology, Kasturba Medical College, Manipal
CR-5	ISRTPCON20160039	Concurrent Anti-GBM and C-ANCA/MPO associated crescentic glomerulonephritis –A case report	Bijal Kulkarni	Kokilaben Ambani hospital and research centre, Mumbai
CR-6	ISRTPCON20160074	Proliferative Glomerulonephritis with Monoclonal IgG Deposits - An interesting case	Dr. Tushar Toprani	Toprani advanced lab systems
CR-7	ISRTPCON20160048	Saa Positive Renal Amyloid In A Child-Time To Look Beyond Immunohistochemistry?	Muralidaran C	1-Dept of Histopathology, PGIMER, Chandigarh 2-Dept of Paediatrics, PGIMER, Chandigarh 3-Dept of Medicine, UCL, Royal Free Hospital, London, United Kingdom
CR-8	ISNRTPCON20160061	Acute kidney injury due to acute phosphate nephropathy in a case of C3 glomerulonephritis	Dr. Tejal Shah	Kokilaben Dhirubhai Ambani Hospital and Research Centre, Mumbai
CR-9	ISRTPCON20160064	Eosinophil Rich Interstitial Inflammation In A Renal Allograft Rejection Biopsy	Anusmita Tripathy	Department of Histopathology , Apollo Hospitals ,Chennai
CR-10	ISRTPCON20160108	Primary non-hodgkin's lymphoma of kidney-a rare case report.	Shushruta Mohanty	SCB,MEDICAL COLLEGE,CUTTACK.

CR-11	ISRTPCON20160020	Thrombotic Microangiopathy With Monoclonal Immunoglobulin Deposition Disease: An Intriguing Constellation Of Findings	Dr. Rohit Tewari	
CR-12	ISRTPCON20160041	Glomerulonephritis with plasma cell dyscrasias presenting in twodifferent forms: report of two interesting cases	Dr. Apurva Agrawal	Apollo Hospitals, Bhubaneswar
CR-13	ISRTPCON20160002	IgAN superimposed on MCD; A case of Dual glomerulopathy	Soma Pradhan	Kalinga institute of medical science, Bhubaneswar
CR-14	ISRTPCON20160114	Castleman disease of the renal hilum misquadering as a renal cell carcinoma: a case report	Rituparna Ghosh	Department of pathology, Kalinga Institute of Medical sciences, Bhubaneswar, Odisha and Kalinga Hospital*, Bhubaneswar Odisha
CR-15	ISRTPCON20160037	IgA nephropathy with idiopathic linear IgG deposit (ILID) - Is this IgAN with atypical anti GBM nephritis ?	Shubhada Krishna Prasad	1. Department of Histopathology, Apollo Hospital, Jubilee Hills, Hyderabad. 2. Asian institute of nephrology and urology.
CR-16		Hypoplastic dysplasia of kidney with hydronephrosis and hydroureter- A rare case report	Monideepa Chattopadhyay	Department of Pathology, KIMS, Bhubaneswar, Odisha
